

Neglected and under-utilized species for resilient and healthy food systems.

Dr. JYOTSNA PURI (JO)
Director, IFAD.
j.puri@ifad.org

Emerging recommendations that may support NUS [the Rural Development Report (2021)]

- Legislation and capacity building (including chef demonstrations).
- Tariffs, subsidies and taxes.
- Food based dietary guidelines.
- Co-investment.
- Government institutional procurement.
- Behavioral communication and nudging.
