South

17 September 2021 | FAO Headquarters
(Virtual) | 14:00 – 15:30 Rome time

You are kindly invited to attend the Rome-based Agencies (RBAs) celebration of the 2021 United Nations Day for South-South Cooperation organized by the Food and Agriculture Organization (FAO), the International Fund for Agricultural Development (IFAD), and the World Food Programme (WFP). This year the event will focus on “Agri-food Systems Transformation and Voices from the Global South”.

The event will build on the commitment and focus of the RBAs to agri-food systems transformation. It will provide an opportunity to convene Government authorities of Member Nations of the RBAs, UN agencies and non-state actors to highlight a number of game-changing solutions that are particularly impactful for the Global South and to reflect on leveraging South-South and Triangular Cooperation (SSTC) across country-led food systems agenda.

You can follow the event either via zoom: **register here** or via **webcast here**
