

Bangladesh Country Programme Evaluation

FIELD VISIT AND NATIONAL ROUNDTABLE WORKSHOP

4-8 June 2015

DRAFT CONCEPT NOTE

A. Background

1. The Independent Office of Evaluation (IOE) of IFAD conducted a Country Programme Evaluation (CPE) in Bangladesh in 2014/15. As a usual step in the evaluation process, a national roundtable workshop (NRTW) is held at the end of each CPE undertaken by IOE. The Bangladesh CPE national roundtable workshop will be co-organised by the Government of Bangladesh and IOE, in close collaboration with IFAD's Asia and the Pacific Division (APR).

2. The Bangladesh CPE NRTW will provide an opportunity to discuss in-depth, with a larger forum of stakeholders, the main findings and recommendations from the CPE. It will also provide the possibility to develop a common understanding among stakeholders on the key building blocks for the preparation of the future results-based Country Strategic Opportunities Programme (COSOP) for Bangladesh.

B. Objectives

3. The objectives of the Bangladesh **CPE national roundtable workshop** are to: (i) discuss the main issues emerging from the Bangladesh CPE; (ii) provide inputs for the preparation of the evaluation's Agreement at Completion Point (ACP) – see next paragraph; and (iii) provide an opportunity for reflecting on key issues for the next Bangladesh COSOP.

4. The ACP is a short document summarising the main CPE findings and recommendations, which the Government of Bangladesh (represented by the Economic Relations Division of the Ministry of Finance) and IFAD (represented by the Programme Management Department) agree to adopt and implement within specific timeframes. IOE's role is to facilitate the preparation and finalisation of the Agreement at Completion Point, which will be included in the final Bangladesh CPE report and attached as an annex to the new results-based COSOP for Bangladesh.

5. The workshop will entail the participation of representatives from the Government of Bangladesh, IFAD Management and staff including representatives from its Independent Office of Evaluation, NGOs and civil society organisations (national and international), directors of IFAD-funded projects and programmes, academics and research institutions, private sector and foundations, donors and selected resources persons.

6. In addition to participating in the workshop, the IFAD delegation from Rome will **visit IFAD-funded projects**, to gain an appreciation of IFAD's and Government's efforts in reducing rural poverty in Bangladesh. This will offer the IFAD delegation an opportunity to directly hold discussions with beneficiaries and their groups, project staff, district-level government authorities and others, as well as see project activities on the ground.

7. On June 8th **courtesy calls with Ministries** concerned with IFAD programme will be organised for IFAD's delegation.

C. Bangladesh National Roundtable Workshop

8. **Place and timing.** The workshop will take place in **Dhaka on Sunday 7 June 2015**. The event will be held at the Amari Hotel. The provisional workshop agenda can be found in Appendix 1 of this concept note.

9. **Workshop invitations and documentation.** Invitations will be sent to all participants by the Ministry of Finance, in the joint name of the Government of Bangladesh and IFAD. The final Bangladesh CPE report will be the main background documentation for the workshop. Moreover, a PowerPoint presentation will be delivered by IOE during the workshop on three selected themes emerging from the Bangladesh CPE, which will serve to guide the discussions at the event (see next paragraph).

10. **Key themes for the workshop.** The workshop will focus on the three key themes emerging from Bangladesh CPE:

Theme 1:

Ensuring long term sustainability and scaling up of results: developing broad based institutional partnerships and further investment in knowledge management in Bangladesh
